FOR IMMEDIATE RELEASE

## WORKOUT WITH THE MAN SUPPORTS USC PROGRAM

LOS ANGELES, CA, JANUARY 23, 2007 - The University of Southern California (USC), is home to The Veronica Adkins Lifestyle Intervention Laboratory at the medical campus. The lab provides helps local youth fight obesity and type-2 diabetes. The program is specifically designed to assist inner city area teens a chance to change their future through unique fitness and nutritional programs.

Dr. Louise Kelly accepts keys to the "Workout with The Man" van from Joe Pepiernik and members of Team Dumbbell Man Service Department.

**The Dumbbell Man (TDM)** donated the "Workout with The Man" van to assist with the program's transportation needs. USC's Dr. Louise Kelly stated, "Our location in East Los Angeles can sometimes present a challenge for some of our participants. The van will be an enormous asset!"

The Dumbbell Man Fitness Equipment is a leading provider of commercial exercise equipment in Southern California and Nevada.
