SCHOOL OPENS NEW FITNESS CENTER

LOS ANGELES, CA. JULY 1, 2008 –

Brentwood School has opened a new fitness center on campus. The 3,200 square foot facility will be utilized by the school's P.E. classes, student athletes and staff.

The Dumbbell Man (TDM) supplied flooring, cardiovascular, strength and free weight training equipment.

Assistant Athletic Director, John Amneus thanked "Team Dumbell Man" and stated, "In this day and age your level of customer service is becoming harder and harder to find. Anytime you want to grab a sandwich, let me know!"

TDM provided the school with layout drawings, equipment installation and a preventive maintenance program for the equipment in the new room.

The Dumbell Man is a leading provider of commercial exercise equipment in California and Nevada. Understanding the diverse needs of customers has led to successful business relationships for over 20 years. For more information, please visit the company's web site at www.dumbellman.com.
