FITNESS AT LUXURY SPA

SAN DIEGO, CA, OCTOBER 20, 2007 – Golden Door is the number one stand-alone spa in the nation, according to the Zagat Survey of Top U.S. Hotels. The spa sanctuary renowned for reviving the body, mind and spirit has re-opened a completely renovated fitness center.

The Dumbbell Man Fitness Equipment (TDM) was

contracted to design and supply equipment for the fitness center which would maintain the highest standard for the resort spa's elite programs.

David Fears, TDM representative stated, "TDM worked with the entire fitness staff in selecting each piece with intent of assisting the spa's trinity theme; mind, body and spirit. The room upon completion has surpassed all expectations."

The resort fitness center is deeply influenced by the ancient Honjin Inns of Japan and features a group exercise area, strength training, free weight and cardiovascular equipment.

The Dumbbell Man Fitness Equipment is a leading provider of commercial exercise equipment in Southern California and Nevada. Understanding diverse customers' needs has led to successful business relationships for over eighteen years. For more information please visit the company's web site at www.dumbbellman.com.
