FITNESS AT HOTEL DEL

SAN DIEGO, CA, AUGUST 22, 2007 – The Hotel del Coronado is considered one of America's most beautiful beach resorts. The Del was built in 1888 and designated a National Historic Landmark in 1977. USA Today calls it "one of the top ten resorts in the world." This summer the property completed a complete renovation of the spa and fitness center.

The Dumbbell Man Fitness Equipment (TDM) was contracted to design and supply equipment for the fitness center used by the hotel and beach club's members and guests. Jennifer White, Director of Recreation for the property praised the "tremendous efforts" from the TDM planning, installation and service staffs.

The luxury resort's guests' comments have all been "very positive" with the design and function of the fitness room featuring a group exercise room and separate strength training, free weight and cardiovascular equipment.

The Dumbbell Man is a leading supplier of commercial fitness equipment in both Nevada and California. Understanding the diverse needs of clients has led to successful business relationships for over eighteen years. For more information please visit the company's web site at www.dumbbellman.com.
