## FOR IMMEDIATE RELEASE

### TDM PARTNERS WITH ONE LIFESTYLE CONDOMINIUMS

April 14, 2008 – Las Vegas, Nevada, USA – Over two years of planning and development came to fruition today with the unveiling of the cutting-edge One Las Vegas 6,800-square-foot health club and spa. The Dumbbell Man (TDM) was selected by AmLand Development, Inc. to oversee the design, equipment selection/supply, and installation of this split-level amenity, and TDM will remain intimately involved in the day-to-day operations of the health club as its primary service provider. Wayne Krygier, President of AmLand applauded TDM's efforts, stating: "With our lifestyle concept at the heart of One, the health club and spa component has received the highest level of attention from the project's conception. TDM's experience, reputation, and passion led us into this partnership. Their performance throughout the evolution of One afforded us the utmost confidence, and the finished product most certainly did not disappoint."

A wide array of cardiovascular and strength training equipment can be found in the state-of-the-art facility, which will offer choices such as group fitness classes and personal training. A half mile illuminated fitness trail, lighted tennis/basketball courts, and men's and women's steam rooms, locker rooms and showers are only a small sampling of the other community amenities included at One Las Vegas.

The Dumbbell Man is a leading provider of commercial exercise equipment in California and Nevada. Understanding the diverse needs of customers has led to successful business relationships for over 20 years. For more information, please visit the company's web site at [www.dumbbellman.com](http://www.dumbbellman.com).
