WYNN MACAU OPENS

LAS VEGAS, NV, OCTOBER 5, 2006 - The Wynn Macau Resort recently opened with more than 600 luxurious rooms and suites. The new hotel and casino offers everything a traveler might expect from a Wynn hotel; great shopping, restaurants and a beautiful new spa.

The Dumbbell Man Fitness Equipment (TDM) was contracted to design and supply equipment for the fitness center. Similar to the concept of the Wynn Las Vegas Resort, guests can enjoy a complete strength training circuit, free weight and stretch areas and a full line of cardiovascular equipment with individual TV monitors.

Colonized by the Portuguese in the 16th century, Macau was the first European settlement in the Far East. Pursuant to an agreement signed by China and Portugal on April 13, 1987, Macau became the Macau Special Administrative Region (SAR) of China on December 20, 1999.

The Dumbbell Man Fitness Equipment is a leading provider of commercial exercise equipment in Southern California and Nevada. Understanding diverse customers' needs has led to successful business relationships for over fifteen years. Conception of the Las Vegas Spa Association and Sponsorship of the annual Workout for Hope Los Angeles are only two of the ways TDM strives to make business make a difference.
